3.suggestions:- always support students for achieving their goals.
- Nothing else
- Give notes after each topic. Take some practice sessions. Arrange practicals atleast online.
- No
- Need offline classes
- Use of white board , online video learning , giving proper notes
- Teaching is very excellent.  
Teachers helps us in every problem  
Institute is very good
- No suggestions
- Practical work should be focused
- Explanation should be done in English/hindi instead of marathi, after teaching a problem teacher should show how to solve  
the problem first instead of saying do on your own all students are not that clever, teacher's should provide pdf or notes for  
learning even we can get this same online lectures on YouTube
- Ppt, projects, etc should be used
- Great job
- Good teacher staff.
- No suggestions
- Practical Knowledge . How to solve any situation or problem in real world

- Teachers must make the classes more interactive and interesting.

- --
- -
- -
- Stop doing partiality with students.
- Time Efficient, good use of video calls and proper completion
- No suggestions required...
- Ok
- 1. Everything is going well.  
2.In this pandemic situation the classes are going on online but by this online mode also we are able to get satisfactory results .. because of our faculty efforts.. Thank you all the teachers for supporting us.
- All is good
- Good
- Make it offline and it will all be better  
We need special attention for some subjects that we are not getting could be better  
I hope they make a sports club so that students can be active in it as well as the studies which will make the students more interested to attend the college everyday ultimately reducing the number of leaves that a student takes
- 1) good learning experience  
2) teachers supporting us very well  
3) got skill development opportunities
- TEACHING PROCESS ONLINE WAS EFFECTIVE AS WELL AS OFFLINE TEACHING,  
TEACHERS TOOK LOT OF EFFORTS.
